### Responsible manager of the ADIPEC 2010 to a manager of a leading oil company in the UAE

Hello .....

*Further to our conversation last week regarding the .....petroleum museum, I thought it would be a good idea to introduce you to Frank Bargmann. Frank was most helpful at ADIPEC by providing some of his own collectible items for the show as part of an 'oil memorabilia' stand. ....I know that Frank was keen to house his items as part of a bigger petroleum collection and also in a relevant situation/home.*

*These items are broad from ceramic marketing tiles and wall hangings to original pumps used at the first garages in the UAE. .... -....I can see that there may be a mutual opportunity for you both here and hope that you may contact each other to progress for the benefit of both parties*

### Responsible manager of the Nürburgring Automotive GmbH (F1 race track Nürburgring)
